VALLEY BANK OF NEVADA is proud to announce the opening of two new loan centers. One Loan Production Office (LPO) in Summerlin, located at 10100 W. Charleston Blvd, Suite 260. The Summerlin LPO will be led by senior vice president and loan manager Vince Ciminise, who has 36 years of banking experience.

Ciminise is a trustee on the Las Vegas Chamber of Commerce, a UNLV alumnus, and has won the Pinnacle Banker Award when he worked for Wells Fargo in 2017. Alongside Ciminise is Thomas Ewing, vice president and commercial loan officer with ten years of banking experience. The Summerlin LPO is a prelude to a full service branch that is targeted to open in 2023.

The other new loan center is part of the existing Henderson branch, located at 4343 E Sunset Rd. Matthew Wong, senior vice president and loan manager, will lead the Henderson lending team. Wong has ten years of banking experience, a bachelor's degree in accounting from Colorado State University, a bachelor's degree in hospitality management from the College of Southern Nevada, and is currently pursuing a Master's degree in accounting with

Colorado State University. He won the Pinnacle Banker Award when he worked at Bank of America, and the top annual award when working at US Bank. He is a member of the Las Vegas Chamber of Commerce as well as CCIM. Alongside Wong is commercial loan officer Stephanie Carlisle, who has 12 years of banking experience and a bachelor's degree in organizational leadership from Fort Hays State University in Kansas.

With these two new loan centers and the original full service branch at 6385 Simmons Street in North Las Vegas, Valley Bank now covers the Las Vegas market. "There's not another local bank that covers all three communities," says James York, president/CEO of Valley Bank of Nevada. "There's a lot of pent-up demand for loans out there and we're ready to help the valley open up again."

Established in 2005, Valley Bank of Nevada is known for providing business and consumer banking services designed to restore the traditional values of service and quality the banking industry was built on. Dedicated to increasing the financial health and stability of communities through supporting small businesses, Valley Bank of Nevada has two full-service branch locations, in Henderson and in North Las Vegas; and now a loan production office in Summerlin.
